*Madayaw!*

Greetings from the Ateneo de Davao University!

As stated in the Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF-MEID) Resolution No. 160-B dated 3 February 2022, the Philippines reopened its borders to FULLY-VACCINATED foreign nationals abroad.

With the concurrence of the Academic Heads from all units, we urge our international students to declare their arrival or (for pre-arrival) their intention to come and stay in the Philippines. Communicate your travel plans to the Ateneo Internationalization for Mindanao (AIM) Office. This way the AIM Office can guide international students accordingly in terms of immigration and visa protocols.

To let us know about your travel plans and arrival status, kindly email us at [international@addu.edu.ph](mailto:international@addu.edu.ph).

1. Indicate your Grade or Year level;
2. Current or intended residence in the country; and
3. Attach a clear scanned copy of your Passport Bio page
  - for those who are already in the Philippines, attach a scanned copy of the page in your passport with the Latest Arrival stamp

We highly encourage you to read the [IATF Resolution No. 160-B](#) for more information. We look forward to welcoming you here to our University.
